ILLEGIB

1. On 13 June Offices were provided Master File Copies and Project Officer Due Lists from the computer contract base for correction so that corrected versions could be issued by 1 July.

2. Because of the prompt response of the Offices in correcting the data issued 13 June, corrected data printouts are available and distributed with this memorandum. Because of the many corrections in the Master File Copy, a current copy incorporating the corrections is distributed along with the Project Officer Due List.

3. Three copies are provided. It is intended that these be distributed as follows:

Office - 1 copy
Division/Branch - 1 copy
Project Officer - 1 copy

4. The next list distribution, which will incorporate all corrections through the close of business 26 July, will be 1 August.
